Welcome to the October Bulletin. By the time you are reading this report our Copper Coast Convention will most probably be over, but as I am writing this in September I will be reporting on the Convention in the November Bulletin. Since my last bulletin report Geoff & I have had the extremely enjoyable task of continuing our travels & by the end of August have covered over 3,500kms & visited 30 clubs, most from Region 6 with a small smattering of City clubs.

I will cover the individual clubs in the News from Around the Clubs section of this bulletin. September 3rd saw us head off to the Gold Coast to attend our 2nd Council of Governors Meeting & also the very first Australia New Zealand & Indonesian Forum (ANZI) where over 700 members from our geographical area 7 gathered to take advantage of the numerous forums on around 60 topics pertinent to our organisation. I attended many forums such as GMT/GLT Team Dynamics, Club Extension, Motivation, New Projects, Problem Solving that I believed provided some vital information to allow me to be better equipped to competently

fulfil my duties as your District Governor. I will cover ANZI a little more later in the bulletin. On a positive note, thank you to all clubs that have answered the call of IP Tam's challenge to plant trees & ensure the health of our planet improves to make the world a better place for future generations.

The number has now reached over 1.4 million, which although has passed IP Tam's challenge to plant 1 million, but is still short of the 5 million pledged by the DGs in Seattle – so please continue to plant those trees then add them on your club's WMMR which will then be included in the world tally.

I look forward to continuing my travels, meeting with all the members, working with & for my District & of course enjoying the Copper Coast Convention. Yours in Lionism

NEWS FROM AROUND THE CLUBS

Cowell LC has a wonderful Boardwalk (see picture below) that they have built and

although the day we visited it was blowing a gale, we braved this and walked along the full length prior to meeting with the members that evening. This club is very active in their community and are currently involved in maintaining the area in and around their local cemetery. (Picture below – President Allan Zerna accepts DG Lyn 's Banner on behalf of Cowell LC).

KIMBA

We continued on to visit with Kimba Lions

and Lionesses, once again both these clubs continue to serve their communities with a variety of projects, where they support each other well. Many thanks to President Kevin Tiller (picture bottom left exchanging banners with DG Lyn) for not only his fabulous hospitality but also for showing around the community and pointing out his club's projects. (Picture below - DG Lyn presents Lioness President with her banner)

WHYALLA

Next came a wonderful home hosted meeting at the home of Lion Garry & LL Colleen Pettingale where I had not only the chance to meet and chat informally to those

members present around meals provided by all in attendance, but also to meet and chat with Exchange Student Kaori Obuci from Japan (pictured above with DG Lyn watched

VALE

Lion Norman Knispel passed away peacefully on Seot. 8th at Tanunda Lutheran Home. He was 89. Norm served his Lions Club and Apex for 61 years. He was a Charter Member of Gawler Lions Club, a Melvin Jones Fellow, Life Member, President, Zone Chairman and Vice District Governor. He served his community and Club with great pride. Sympathy from DG Lyn Shoemark and all Lions of District 201C1 go to his wife, Betty, son Simon and his wife Leann, and Grandchildren Emma and Matthew.

Lion Colin Ringer. Lion Colin was a Past District Governor (1968/69), Past International Director (1972/74), and an esteemed member of The Lions Club of Unley. Lion Colin was a dedicated member of his Club, and will be missed by all who knew him. Sincere condolences from DG Lyn Shoemark and all Lions of District 201 C1 are extended to all his family and friends.

Lion David Verner was a valued Foundation and Life Member of the Lions Club of Mal-lala and Districts. He will be missed by all members of his Club and of the Ladies Auxilliary. Condolences to Judith and family, from DG Lyn and Lions of District 201C1.

City of Adelaide Lions Club celebrated their 50th year. One of their activities was the NWS 9's "That's What I'm Walking About" breakfast BBQ in Rundle Mall. Pictured are Lions Graham, Robin, President Dean, Ray, Terry and Geoff serving a charming customer.

ADELAIDE WHITE RIBBON BREAKFAST 2011

The Adelaide White Ribbon Breakfast will be held at the Adelaide Festival Centre Banquet Room on Friday 25 November 2011 - UN International Day for the Elimination of Violence Against Women.

Our 2011 event will be addressed by Kate Ellis MP, Federal Minister for the Status of Women, and again co-hosted by Leigh McClusky and Peter Goers.

Guest Speaker will be Dr Michael Flood, sociologist from the University of Wollongong. Dr Michael Flood is a White Ribbon Ambassador, and a well-known researcher, author and educator with a life-long commitment to ending men's violence against women.

Please distribute this to your networks, more information soon. Bookings will open in September until sold out.

Poster. We decided that we would remain in Whyalla over the weekend and offered to assist the Whyalla & Whyalla Mt Laura Club at their local Whyalla Show where between them they manned 4 food catering vans for the 1½ days. I think that Geoff and I are now

proficient in Donut, Chip, Hot Dog and a

agreed that it has been some time since we have worked so hard and for so long

continuously, but then we thoroughly enjoyed not only the chance to help out but the fantastic fellowship and laughter that went along with it – both the clubs had an overwhelming successful weekend. Many thanks to Jim & Aileen Hewitson for your amazing hospitality and friendship.

TUMBY BAY

Next was Tumby Bay LC & we were very warmly greeted by members and partners and were pleased to be able to induct new member Ross Holiday – I have never had the effect on a new member as I did on Lion Ross who, all I can say – looked as if he was under an extremely hot heater during his induction – I think he may have been coming down with a chill. Many thanks to President Hartley & LL

Did you know.....

284 million people are visually impaired

Of these, 39 million are blind, and 245 million have moderate or severe visual impairment

YET 80% of blindness is avoidable

90% of people with visual impairments live in developing countries

In Australia, approximately 518,500 people are vision impaired in both eyes

Almost 65% of visually impaired people are over 50 years of age

Thursday 13th October 2011 is World Sight Day. The Lions Eye Health Program (LEHP) needs you to spread the word that vision loss and blindness can be prevented if detected and treated early. Encourage your family and friends to have their eyes tested during the month of October.

CUMMINS

Next we visited Cummins LC – we had a wonderful lunch with Secretary Ian Rodgers prior to him showing us all around their beautiful countryside and beaches. That evening we had a small but intimate group of members dine

with us at their local hotel where we felt just like one of the family. (Pictured above is DG Lyn accepting the club banner from President Kym Spackman)

PORT LINCOLN

Port Lincoln LC was next – in the morning President Neil and Lion Gavin Roberts took us to see Hearing Dog Marty (pictured top right with owner Leonie) go through his training with his new owners Doug & Leonie before dining with the members and partners in the evening. What a busy lot they are, auctions, catering, hostel, cakes, hearing dogs, just to name a few projects currently under way. We were very fortunate ??? to be included in the tail twisting on the evening and were pleased to be able to be

ANZI PACIFIC FORUM GOLD COAST, 9-11 SEPTEMBER 2011

After an Opening Ceremony & impressive Flag Ceremony at Jupiter's Casino on the Gold Coast, the inaugural Australia New Zealand & Indonesian Pacific Forum (ANZI) began in earnest. With over 700 Lions, Partners, Friends of Lions & Special Guests from our Lions Geographical Area 7 which incorporates Australia, New Zealand, Indonesia, American Samoa, Fiji, New Caledonia, Norfolk Island, Papua New Guinea, Samoa, Tahiti, Timor Leste & Vanuatu – gathering to take advantage of the numerous forums on around 60 topics pertinent to our organisation it was a wonderful time of training, education & awareness. I was able to attend many forums that I believed provided some vital information to allow me to be better equipped to competently fulfil my duties as your District Governor. These included such forums as Problem Solving, Club Extension, GMT/GLT Team Dynamics, Motivation & New Projects & all

hospitality of Secretary Marlene Boylan and in the evening we had a fantastic meeting with members providing a very delicious and abundant meal for us. This club is part of a very small community but is still very active and an integral part of community life.

WHYALLA MT LAURA

Back to Whyalla Mt Laura LC where we were once again very warmly welcomed into the fold. I was able to present several awards and membership monarchs to members after which I was

presented with a Certificate of Competency for Donut & Chip Making and Geoff received one for Hot Dog preparation & Oliebolen bagging.

We were warmly welcomed into the home of Brian & Anita Marshall and made to feel like part of their family – many thanks. (Pictured left is President Malcolm McLeod accepted DG Lyn's banner)

BAROSSA VALLEY

It was then a couple of days back home before the 1st September saw us visiting with Barossa Valley LC – President Bernie and the members welcomed us to their meeting and once again I was proud to be able to present a 40 year Monarch to Lion Don Bessell and on the other end of the scale induct new member William Reilly – I hope that my inability to speak properly due to a throat bug did not detract from the occasion for both Lion Don & Lion William. (Pictured above is DG Lyn with newly inducted Lion William Reilly and his sponsor President Bernie Wallace).

URGENT MESSAGE FROM DG LYN

I have a **huge concern** at the moment - that of watching our membership rapidly decline, in fact it is nearing the minimum number where Lions Clubs International Headquarters in Chicago US starts thinking about putting a District into Transition with a view to **Redistricting**.

As your District Governor, I would not be doing my job in the best possible way if I did not attempt to do everything I can do to avert this possible catastrophe.

If anyone can remember the feelings running through the membership of the then three 'S' Districts in 1999/2000 when they were advised that they would go from 3 to 2 Districts due to lack of numbers. Think about a situation where yet another redistricting could find the whole of **South Australia & Northern Territory in just 1 District**. Consider the consequences of what this may bring regarding travelling to Conventions, Training & everything else that is associated with being a member within 1 District of this enormous size. Is this what you would like to happen? Please - give me your assistance when I call on you to induct new members into your club. Unfortunately I cannot do any more than stress the immense importance of inducting new members so that we can ensure our District once again returns to a healthy number to avert any possibility of redistricting by LCI.

present were also given the opportunity to meet with our International President Wing-Kun Tam, 1VIP Wayne Madden & 2VIP Barry Palmer where you were encouraged to discuss different concerns, opportunities or items of interest with them.

As part of the overall Forum there were opportunities to be involved in lunches & dinners where you were able to enjoy great entertainment, food & wine but also listen to outstanding speakers such as Dr John Kearney, a leading Gold Coast Ophthalmologist & a member of Mudgeeraba LC who spoke on his care work in Timor Leste & the indigenous communities in Australia; Sam Bailey, a quadriplegic who has defied the odds to become a farmer, pilot, speaker & best selling author; & of course our own International President Wing-Kun Tam.

A highlight of the Convention was the formation of the new Broadbeach Lions Club and the induction of 31 members. At the end of the 3 days it was decided by all attending that it was a resounding success and attendees agreed to meet next year in Queenstown NZ to once again enjoy the training and fellowship.

LIONS IN NORTH AMERICA.

Following the International Convention, Lions Don and Alison Lewis spent some time staying with our family at Bremerton, which is about an hour's ferry ride from Seattle. While there we were able to attend several meetings of the Bremerton Central Lions Club, and renew our ties with their members. One of the meetings was their annual picnic

in the Lions Park, which is a beautiful place to relax and enjoy.

Quite a large area on the waterfront, which also includes a Baseball Field. Lion Don is talking to Lions Katie and Tom Proteau, who, among others, provided us with transport to several of their meetings. Attendees at the Picnic included Japanese exchange youth and their host families. Below.

We also visited Mayne Island, near Vancouver Island, in Canada, and found evidence of the work done by Mayne Island Lions Club. This included the community pavilion, help with a beautiful Japanese Garden, and involvement in most of the Community Events on the Island. An article about the International Convention was in the Island Newspaper.

Dear Lions Club Members,

Meet my nearly 3 year old daughter, who until recently had never experienced the world standing upright. She has an undiagnosed condition which has rendered her unable to crawl, stand or walk.

She has spent most of her life either in our arms, on our laps, or in her pram.

The Lions Club Mobility Foundation purchased a pony walker for her, which has changed our lives. We are now able to enjoy our backyard together, she chases her brother and sister around the backyard in her walker and the joy that we feel at watching her joy is priceless.

Without the generosity of The Lions Club, their members and supporters, we wouldn't have been able to give our daughter this life changing gift.

I have included photos of my daughter enjoying her outdoors time today.

Thank you from the bottom of our hearts. our little girl is seeing the world from a whole new perspective. She is amazed, as are we, by what she has been able to achieve.

With much appreciation and love,

**A heartfelt thank
you to the Lions Club
Mobility Foundation**

LIONS KEL AND YVIE KEARNS VISIT SOVANAPOOM ORPHANAGE CENTRE PHNOM PENH -CAMBODIA

Lion Yvie of Lionsonoz writes:

When John and Tess Carseldine first came to Cambodia they never intended to start an orphanage or look after children. However when sick and dying children were brought to them, they were moved with compassion. They shared their home and food, what little belongings they had, and their lives, with these children, teenagers and young mothers in need.

John told us that since 1998 there have been hundreds of children whose lives have been saved through emergency intervention provided at the Sovanapoom Centre by John, Tess and young leaders who live and work with them. The Savanapoom Centre is an oasis of life providing milk to babies whose mothers have no money to feed them, children dying of starvation and disease, teenagers at risk of trafficking and adults with nowhere to turn. John showed us around the complex and it was amazing what he and his helpers have achieved during the past 10 years. He explained that the community of Sovanapoom quickly outgrew its original building by the Mekong River in Kandal Province and the new Community Centre was opened in January 2008.

John went on to explain that those who find a home with them have the opportunity to stay at the Centre as they grow up and finish their education, learn a trade and gain employment. They will always be a part of our family no matter where they live, John said.

Presently all funding for this work is received through donations from individuals, businesses, churches and other organizations. It's only as they receive donations of funds that the work is able to continue; caring for the children, providing education and vocational training, and continuing to assist the local community. John said it's never been easy but the visible difference in the lives of the children and the young people being helped was very encouraging.

The little girl Yvie is holding, is the youngest child at the orphanage and she will most likely spend her entire childhood and teenage years there.

John hopes to assist the students with employment opportunities and helping those interested to establish business and co-operative ventures as they work towards sustainability for both the individuals

and the Sovanapoom Centre.

At present they are still in need for donations to support the children and continue the life – changing at the Sovanapoom Centre

GAWLER.

Michael Shanahan from Trinity College Gawler, who was a Club and Region Youth of the Year winner, was named Young Rural Ambassador for Gawler Show. Michael will help organise next year's Gawler Show and represent Gawler at several other events during the year. Michael comes from a farming family at Freeling, and is also heavily involved with the Gawler Road Safety Group. Gawler Lions Club is proud to be associated with the young people of Gawler—who perhaps will one day be our future in Lions.
