

LIONS NICHOLAS TRUST SUPPORT FUND

District 201 N3

Lions supporting children's palliative care

(adopted as a project at the 2007 District 201 N3 Convention)

THE AIMS OF THE NICHOLAS TRUST

The Nicholas Trust was formed to promote and establish a Paediatric Palliative Care Service facility for the Northern Child Health Network, a facility which presently doesn't exist. Within our region, 300 to 400 children under the age of 18 suffer from a life limiting illness and 40 to 50 of these will die this year. This facility will provide immediate family contact and support during the final stages.

All funds raised by The Trust will be used for the sole purpose of paediatric palliative care buildings and equipment. Funds collected will not be used for recurrent costs such as wages and salaries.

Details of the Nicholas Trust can be seen on the internet at

www.nicholastrust.org.au.

OUR LIONS NICHOLAS TRUST SUPPORT FUND OBJECTIVE IS:

To assist the Nicholas Trust in their endeavours by raising funds for the establishment of the facilities necessary to implement a Paediatric Palliative Care Service facility for the Northern Child Health Network.

It will service a vast area from Morisset in the South to Tenterfield in the North to Narrabri in the West.

OUR VISION IS:

To raise \$500,000.00 over the next three years toward the establishment of these facilities by receiving donations from Clubs in Districts 201N3 and 201N1, and from corporate and public donations.

We need your help to establish these facilities and service for paediatric palliative care, for the sake of the terminally ill children in our area.

Please donate generously.
