

Australian Lions Spinal Cord Fellowship

A National Project of Multiple District 201 (Category B)

Managed by District 201V3

APPLICATION FORM WIN TYQUIN AWARD

Win was the wife and staunch supporter of the much respected and beloved Leo Tyquin who served Lions with great distinction for many years.

In the search for an appropriate award for supporters of the Lions Spinal Cord Fellowship, the committee was conscious of the fact that its often the grandmothers, mothers, wives and women generally who take on the primary caring role of those with chronic disability. Women also play a strong support role in Lions as either the strength behind the member or in recent years, as strong and involved club members.

The Win Tyquin Award is an attractive, free-standing glass award with Donor details and the recipient's name and the month awarded are elegantly laser-etched on the award.

Eligibility:

Open to all clubs or individual Lions who make a donation to the Fellowships of \$A500 or more.

Please complete the details below in BLOCK LETTERS and return with your cheque. Allow 14 days for delivery.

ALL enquiries should be directed to:
Lion Bev Goddard, phone 03 5192 4370
