

IS YOUR CLUB A LIONS QUEST CONSTITUENT MEMBER?

Dear Lions Club President and Directors,

On behalf of the Directors of the Australian Lions-Quest Youth Institute Ltd I am happy to advise that we now have 195 Constituent Members in Australia.... But we need more! I am writing to issue an invitation to all other Clubs to become a Constituent Member of the Institute.

Lions Quest is a key project of Lions Clubs International, owned by LCIF. Lions in numerous countries recognise the potential of this vital project to influence the lives of ALL children and young people. Teachers acknowledge the growing need for social skills, and schools that are using *Skills for Growing* and *Skills for Adolescence* tell us many success stories... from young people being 'turned around', to fewer discipline problems and children showing more respect for each other and the adults in their lives. We regularly run teacher accreditation workshops in all Australian states, wherever we can find 20 to 30 teachers to participate in the one-day workshop. They then have the resources to use in their classrooms to benefit all their students.

As part of your club's service to young people, I encourage you to consider this opportunity to share our vision for this most worthwhile youth project and to join us in our mission to develop respect, responsibility and resilience in all young Australians.

Constituent membership of the Institute is free. However, the Institute seeks an annual donation from members of \$75 in order to maintain its financial viability. Benefits of membership include a banner patch, acknowledgement on the Lions Quest website, newsletters, and the satisfaction of knowing that your Club is supporting a youth project that has the potential to influence the future. Please forward your Club's cheque along with the application details below.

Thank you.
We appreciate your support.

Yours in Lionism,

David Knowles
Chairman of Directors
