## PRESIDENT ROLLY'S RHETORIC

Welcome Fellow Traders,

My apologies for the lateness of this issue of the bulletin.

Due to Medical reasons, a trip down to Tassie to support the Eastern States pin swap, and on return specialist visits and hospitalization, I have kept our Bulletin Editor rather busy.

Thank you to all who either phoned, email or sent cards with best wishes.

On behalf of the Executive and Members I send the very best of wishes for a speedy recovery to all who have been on the sick list since our last bulletin.

In October, Angela and I traveled to Melbourne, staying overnight with Ossie and Beryl Medcraft before taking the ferry to Tasmania, where on arrival, our destination was the home of P.D.G. John and Libby Gillham who were hosting the Eastern States Pin Swap over the weekend.

From the time we left Adelaide on the Wednesday to our arrival at John's on Friday it rained none stop, so the warm fire that greeted us was very welcoming. Later in the day we picked up P.D.G. Clive Reid from the Airport, Clive's first words stated the obvious "it's bloody cold". It got colder. Saturday morning we awoke to the sight of snow. The view from the window was worthy of a postcard. Once again numbers were disappointing, but as we said "your lose was our gain". Trading got under way mid morning with much trading and camaraderie taking place between mugs of hot tea and coffee. Later that afternoon John informed us that the temperature outside was 2 degree's and snow. Trading continued Sunday morning, finally coming to a close with a lovely lunch. Many thanks to John and Libby for a wonderful weekend.

I note with interest remarks made by Jay Puls, President of the California Pin Traders, in the copy of the Bear newsletter. It appears even our fellow traders there have problems with membership and attendances at pin swaps.

Members, I urge you all to try and join up a new member or members for our club in the near future. The more members the more fellowship and trading. To our more experienced traders, I look to you to assist and nurture new members in the art and enjoyment of our hobby.

"PIN JACKETS". I am pleased to announce that quotes for the embroidery and making are in their final stage. Further in the bulletin a call for registration of interest will be sought.

Once again I am pleased to announce that we have booked a venue for our A.G.M. and trading in Launceston next year. Due to dinner prices ie. set at \$45.00 a head, I have arranged the following. The venue will be a private function room at the Commodore Regent Motel where many of you are staying. Time 6.30p.m. for 7.00p.m. Thursday 14<sup>th</sup> of April 2011. A buffet supper with brewed coffee and a choice of selected teas will be provided during the evening. We have the room until 10 p.m. The A.G.M. will commence at 7p.m., giving plenty of time for trading afterwards. The cost will be \$20.00 per head.

In closing Angela and I wish you and your families the very best for the coming Festive Season.  
"Merry Christmas.

President Rolly

## SOMETHING TO THINK ABOUT

Why don't we ever see the headline "Psychic Wins Lottery"

Why didn't Noah swat those two mosquitoes ?

If a pig loses it's voice, is it disgruntled ?

If "love is blind", why is lingerie so popular ?

The average person laughs thirteen times a day. Are you average?

## LOOKING FOR SOMETHING ? HAVE SOMETHING TO TRADE OR SELL?

Then this is the spot for you.
