

Lions Biggest BBQ

A Message from the Lions Cord Blood and Childhood Cancer Research Appeal

To Lions, Lioness and Leo Clubs of Australia,

Thank you to all Clubs who have registered to be part of the

“Lions Biggest BBQ” April, 2009

This annual event gives Clubs across the country the opportunity to support Children’s Cancer Institute Australia (CCIA) in its research into the causes and prevention of, and to find a cure for, childhood cancer, because *“Lions believe that every child deserves the chance to grow up”*.

The Lions Biggest BBQ is a great way to promote Lions Australia and to raise awareness in your community.

This year again, **thanks to our very generous sponsor, Barbeques Galore**, your Club has the chance to **win one of six state-of-the-art 4 Burner BBQs complete with 9 kg gas bottle (value around \$700).**

Also on this website you will find information which outlines how best to promote Lions Biggest BBQ activities in your local area or, for further advice, speak to your District PR Chairman. Your Club members and media contact can download the information.

Thank you and good luck for your Lions Biggest BBQ activities.

Kindest regards,

Jim Ede

Chairman,

Lions Cord Blood and Childhood Cancer Research Appeal
