

# AUSTRALIAN LIONS FOUNDATION

## A FURTHER MESSAGE TO ALL CLUBS MEMBERS

### FLOOD and CYCLONE ASSISTANCE

Dear Lions, Lioness and Leos,

Over the past weeks we have seen an unprecedented period of impact in our country from Floods and now Cyclone Yasi with the major impact being in Queensland.

We are already seeing the generosity of our Lions family displayed in support for the floods but now, we need also to add our support behind those impacted by the ravages of Cyclone Yasi.

To commence this support, the Australian Lions Foundation has allocated an emergency grant of \$40,000 for use by the District in assisting those impacted. We are sure that many other Clubs would wish also to continue their support as they have done for the flood victims.

It is proposed that the Australian Lions Foundation will extend its current appeal for flood assistance to include support for the Cyclone impacted areas.

Given the current process in place for Clubs to forward their contributions to their Cabinet Treasurer, we would not see any need to change. If clubs are contributing and they wish for their contribution to be specifically allocated they should note that when forwarding their cheque to the Cabinet Treasurer.

Australian Lions, Lioness and Leo Clubs, together with many other community members are working side by side to help those impacted by these disasters. It shows the true spirit of what Lions do for their community and we should all be proud of what is being achieved. Your contributions of both physical and financial support will be for those impacted a lifetime memory of how **"We Serve"**.

We greatly appreciate the efforts of the Clubs and the District Treasurers in supporting the Australian Lions Foundation.

Please continue your great support.

PDG Paul Logue  
**CHAIRMAN**
