- Abseiling.
- Shopping at Airlie Beach.
- Other sports both indoor and outside.
- Presentations by campers about their countries.
- Australian Bush Dancing with local bush band.
- Experts attend and tell you about the Great Barrier Reef.

The intention is to provide activities at camp which:

- ***Are challenging, but not scary,***
- ***Require co-operation at times and individual initiative at other times.***
- ***Will lead to a better understanding of each other.***
- ***Expose campers to some aspects of Australian life and culture.***
- ***Lead to the formation of friendships across cultures and nationalities.***
- ***ARE ENJOYABLE!***

VISIT THE GREAT BARRIER REEF

We travel by Cruise Whitsunday's wave piercing luxury catamaran for a very full day of exploring the Great Barrier Reef. Snorkelling, swimming, waterslide direct into the Pacific Ocean, and swim with more fish than you thought possible.

With luck we will see humpback whales on the way to the reef as a bonus.

All this including food and bus transfers are included in your camp fee.

Visit www:cruisewhitsundays.com/gbra.aspx

There are some extra activities available at extra cost if you wish and these include:

- Scuba diving (No previous experience required as you are in the charge of experienced divers)
- Helicopter rides to view the spectacle of the reef from the air.

For these extras you organise with the crew on the boat on the day.

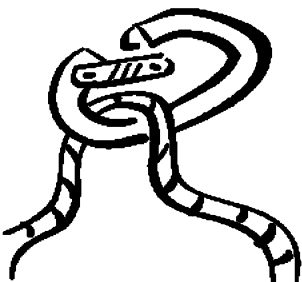

WATERSKIING AND CANOEING

Camp Kanga is adjacent to Lake Proserpine where we go waterskiing, boating, and canoeing with Local Lions Club members who bring their ski boats and equipment for your use. Grassy areas allow for that essential sun tanning.

The Lions also provide a BIG picnic lunch to keep you going.

ROCK CLIMBING

We travel to Cedar Creek Falls where we split into two groups. The first group go shopping in Airlie Beach for souvenirs and a look at a small coastal tourist town which is the centre of a large scale tourist industry attracting thousands of backpackers to the Whitsunday Islands every year. The second group work with local firemen to experience rock climbing in a pleasant rainforest area.

Half way through the day the two groups change over.

YOUTH EXCHANGE HOSTING

You will be travelling with Lions Youth Exchange before and after the camp and will be hosted with Australian families somewhere in Australia. You must arrange this through your local Lions Club in your own country as soon as possible.

TRAVEL TO AND FROM THE CAMP.

Distances are great in Australia and much travel is by air. The nearest airport to Camp Kanga is Whitsunday Coast Airport (Proserpine) which is approximately 30k from the camp. Lions arrange to meet the planes and transport students to the camp.

You cannot book your flight to the camp until you know your Youth Exchange host family details, but as soon as you can do so, you should book your travel to the camp straight away as the planes are often fully booked.

We strongly request that all *students* flying into Whitsunday Coast Airport arrive on Virgin Blue Flight DJ1117 arriving at Whitsunday Coast at 13.30.

DO NOT book to fly to Mackay or Hamilton Island. Both of these destinations have difficulties with connections to the camp.

If you have to arrive by any other means, please advise the camp as soon as possible to arrange pickup.
